

# Meet Mercedes M. Fuller

**Mercedes M. Fuller** is emerging as a nationally known keynote speaker and innovative accelerator on topics such as engagement, diversity and inclusion, change, and productivity.

The "**Purpose, Power, and Profits Coach**" is on a serious mission to help organizations and key players discover their purpose and ignite the power to create inclusive, high performing organizations! After his speeches, workshops, consultations, and collaborations, Mercedes' clients are equipped and empowered to take immediate actions that yield peak performance, increased productivity, and profit surges all while inspiring the team's human capital to win!

The guy loves to have fun, has never met a stranger, and his happiness is authentic and a little contagious! FYI, platforms that allow him to encourage others are his "happy place!"

For over fifteen years, Mercedes has been afforded opportunities to share his knowledge and gifts with some pretty amazing audiences such as Forbes, University of North Texas, The San Antonio Apartment Association, Trinity University, Homespring Residential Services, and University Health System, to name a few.

Prior to launching his full-time speaking career and serving as the chief innovation officer and principal consultant of **Imagepreneurs Public Image Relations**, Mercedes was an award-winning educator, a high performing sales manager and trainer, an organization communication officer, and he even achieved one of his other childhood dreams which was becoming a television news personality (he still dabbles and dabbles a bit in front of the camera).

Through his firm, Imagepreneurs, Mercedes launched **The MillGenZ Awareness Commission** and **Millennial + GenZ Awareness Month** innovative initiatives geared to significantly strengthen the quality of diverse professional relationships, create breakthroughs in high performance by resolving and coaching interpersonal and workplace conflict resulting from diversity and generational differences, and build bridges to create profitable culturally-sensitive environments conducive for all generations in workplaces around the globe.

Thanks to the support of phenomenal clients, audiences, and his personal support teams, Mercedes has been listed on the 2019 San Antonio Business Journal's 40 Under 40 roster, the Forbes Coaches Council, and is regarded as "Someone to Know" by Voyage Magazine. He has also been recognized by his former school district as a "Pillar of Caring" one of Northside ISD's highest honors and he was named the "2019 Distinguished Alumnus" by NISD's Business Careers High School.

Mercedes is on the move, motivating from every platform possible! You can catch him as a regular contributor to shows such as New4 San Antonio's- SA Living and Dallas' Good Morning Texas on WFAA. He also shares insight in print, radio, and other mediums. Mercedes travels from the great State of Texas!

There's only one other revision that must be made to this bio! Mercedes looks forward to serving you! Are you ready to go higher?
